

## Modular Programme in Science & Technology Studies Degree Cycle Exemption Form

If you have previously taken a related course from an accredited institute, you may apply for exemptions from modules on this programme. Accredited institutes include Universities, Institutes of Technology and other third-level institutions.

Each module in the Degree cycle of the programme in Science & Technology Studies is worth 6 credits on the European Credit Transfer System (ECTS) and is at level 8 on the National Framework of Qualifications (NFQ). Courses that may be considered for exemption purposes should be at level 8 or higher and 6 ECTS or higher. Normally exemptions are limited to a maximum of 30 ECTS credits or 5 modules over the Degree cycle. Exemptions within the Degree cycle cannot be considered after registration.

### Guidelines for Exemption Applicants

Please complete your personal details in **Section 1**.

In **Section 2** insert the name of the course you completed, the awarding body, the providing institute and the year in which the award was made. Course must be at a similar level or higher to qualify. If you are applying for exemptions for qualifications awarded by different institutes a separate form must be completed in each case.

**Section 3** is a list of the core modules in the Degree cycle. Please indicate with a tick in the box provided, the module(s) from which you seek exemption. Indicate the name, credit weighting and level of the subject(s) that you have previously taken which may qualify you for the exemption.

Please ensure that the following details are attached for each subject:

- Course & subject outline (sometimes referred to as the syllabus) as provided by the institute where you were registered.
- Certified copy of course and subject marks obtained by you.

If you do not have the above information, you should contact the providing institute in good time.

Exemption applications, together with supporting documentation, must accompany your course application. Completed applications must be posted to:
