

## Modular Programme in Science & Technology Studies Diploma Cycle Exemption Form

If you have previously taken a related course from an accredited institute, you may apply for exemptions from modules on this programme. Accredited institutes include Universities, Institutes of Technology and other third-level institutions.

Each module in the programme in Science & Technology Studies is worth 6 credits on the European Credit Transfer System (ECTS) and is at level 7 on the National Framework of Qualifications. Presented subjects must be similar to qualify for exemption purposes. Exemptions are limited to a maximum of five modules in total, to include not more than four elective modules. Exemptions within the Diploma cycle cannot be considered after registration.

### Guidelines for Exemption Applicants

Please complete your personal details in **Section 1**.

In **Section 2** insert the name of the course you completed, the awarding body, the providing institute and the year in which the award was made. Course must be at a similar level or higher to qualify. If you are applying for exemptions for qualifications awarded by different institutes a separate form must be completed in each case.

**Section 3** is a list of the modules in the Diploma cycle of the programme in Science & Technology Studies. Please indicate with a tick in the box provided, the subject(s) from which you seek exemption. Indicate the name, level and credit weighting of the subject(s) that you have previously taken which may qualify for exemption.

Please ensure that the following details are attached for each subject:

- Course & subject outline (sometimes referred to as the syllabus) as provided by the institute where you were registered.
- Certified copy of course and subject marks obtained by you.

If you do not have the above information, you should contact the providing institute in good time.

Exemption applications, together with supporting documentation, must accompany your course application. Completed applications must be posted to:

Admissions Office

Programme in Science & Technology Studies

National University of Ireland

Galway

by Friday, 15 July 2011.

### Section 3

Module Title	Tick if seeking exemption	Subject Name (from course listed in Section 2)	Credit Weighting (ECTS)	NQF Level	Year Taken	Mark Awarded
Maths 1						
Maths 2						
Physics 1						
Physics 2						
Statistics						
Chemistry						
Information Technology						
Biology & Biotechnology 1						
Introduction to Management						
Introduction to Environmental Science						
Introduction to Operations Engineering						
Operations Engineering						
Organisational Behaviour						
Science, Technology & innovation						
Database Applications						
CAD Modelling						
Molecular Medicine						
Analytical Chemistry						
Biology & Biotechnology 2						
Design of Engineering Systems						
Introduction to Management Science						
Introduction to Quality Management						

I wish to be considered for subject exemptions from the Diploma in Science & Technology Studies on the basis of the above subjects completed by me. I enclose the required course and subject documentation for review. I acknowledge that the particulars given in relation to this application are in all respects true.
